

WILLIAMSBURG AND FABYAN ELEMENTARY SCHOOLS
GENEVA, IL

Kristin Schmidt of S2O Consultants, Inc. was hired to assist in the planning and design of the kitchens/cafeterias for two new elementary schools, K-5 in Geneva, IL. Early collaboration with Sodexo, the food service provider, resulted in an effective, compliant kitchen meeting the needs of approximately 500 students per school.

Williamsburg was completed and opened in September 2008. Fabyan is under construction and will be opened in August 2009.
